

Message from the Editor-in-Chief

Dear authors,

After the successful launch of the first three issues of international journal of Applied Biomedical Engineering, the journal is now being endorsed by Office of the Higher Education Commission and is indexed by Thai Academic Reference Database. As editor-in-chief, the standardization is one of the main policy to make the journal being acknowledge nationwide, asianwide and worldwide. I would like to thank all authors for submitting his/her valuable research papers that definitely make IJABME reaching its ultimate goal.
